## EVENT TICKETS

## GRADUATION DAY DETAILS

### Name Cards

Graduates will carry a name card onto the stage and hand it to the reader. The use of name cards allows students to sit during the ceremony by whomever they choose (as opposed to alphabetically) within each degree designation. Name cards will be provided to you at the check-in desk on graduation day.

### Photos

Class and group photos are taken by a professional photographer at 5pm and individual photos are taken during the ceremony. A link with instructions for review and optional purchase of the photos will be e-mailed to you by the photography company sometime after the ceremony.

### Marching Instructions

Students are requested to line up in the basement of the Morse Event Center at 5:30pm. The lineup represents where everyone will sit in the auditorium. Marshals will be present to lead the rows of students into the auditorium and to their seats.

### Parking

The main NCU lot is open for parking, permit free, beginning 1pm. City meter parking is located throughout the University district. Please do not park at the Phoenix Inn.

### Child Care

NCU does not offer supervised childcare.

### Personal Items

Storage for personal items such as coats, purses and umbrellas is available to graduates only.
